ENCANTO REMAINS AT NO. 1 TOP ALBUM FOR SIXTH WEEK

CHART CONFIDENTIAL
By Paul Tuch
ptuch@mrcentertainment.com

A number of new releases have strong debuts this week but the *Encanto* soundtrack continues to reign at the top of the chart, holding at No. 1 on the Billboard Canadian Albums chart for the sixth straight week, once again picking up the highest on-demand stream total for the week as well as the top digital song download total. (The Billboard Canadian Albums chart ranks the most popular albums of the week based on multi-metric consumption, which includes traditional album sales, track equivalent albums and streaming equivalent albums).

Ed Sheeran's = (Warner) once again sits at No. 2 for the third straight week.

The top debut belongs to Avril Lavigne's *Love Sux* (Warner) at No. 3, scoring the highest album sales total for the week. It is her highest charting album since 2011's *Goodbye Lullaby* peaked at No. 2 and it tops the No. 5 peak of her last release, 2019's *Head Above Water*. All seven of her studio albums have reached the top five.

Rounding out the top five, Eminem's *Curtain Call* (Universal) and The Weeknd's *Dawn Fm* (Universal) both drop one position to Nos. 4 & 5 respectively.

Kodak Black's *Back For Everything* (Warner) debuts at No. 15. It is his highest charting release since his first two albums, 2017's *Painting Pictures* and 2018's *Dying To Live* peaked at No. 5.

Tears For Fears' pick up their first charted album in the Canada SoundScan era as *The Tipping Point* (Universal) debuts at No. 20. It is their first album since 2004's *Everybody Loves A Happy Ending* which did not reach the chart.

Other new entries include 2Freres' *Sous Le Meme Toit* (Mp3) at No. 30, Central Cee's *23* at No. 32 and the Scorpions' *Rock Believer* (Universal) at No. 59.

Elton John & Dua Lipa's "Cold Heart (PNAU Remix)" (Universal) remains at the top of the Billboard Canadian Hot 100 for the 10th week.

Gayle's "abcdefu" (Warner) edges 3-2, the highest peak for the song to date. It scores Greatest Gainer/Digital honours for the second straight week. Doja Cat's "Woman" (Sony) jumps 27-17, picking up Greatest Gainer/Airplay honours. Lil Durk's "Ahhh Ha" (Sony) leaps 85-45 and scores Greatest Gainer/Streaming honours.

The Hot Shot Debut on this week's Billboard Canadian Hot 100 belongs to Tyga & Doja Cat's "Freaky Deaky" (Empire) at No. 44.

The most popular songs according to all-format airplay audience impressions and on-demand streams measured by BDSradio and digital sales data compiled by Music Connect. To qualify for this chart, an artist must be Canadian and meet the CRTC 'A' definition (music or lyrics principally performed by a Canadian artist). Artists are considered emerging until 36 months after the date their first Canadian Hot 100 charting entry reaches the top 40 or for a Country song, 36 months after the date their first Country Airplay charting entry reaches the top 25. Artists that pre-date the Hot 100's June 2007 launch are judged on the historic CRTC regulations for Hit and Non-Hit. Once an artist has a title disqualified on these points, their entire catalogue is disqualified. ● Titles showing an increase in overall points over the previous week, regardless of chart movement. 🍁 Indicates CanCon. *© 2021 Billboard Media, LLC and MRC Data, LLC. SACHA HITS COUNTRY

ARTIST SPOTLIGHT

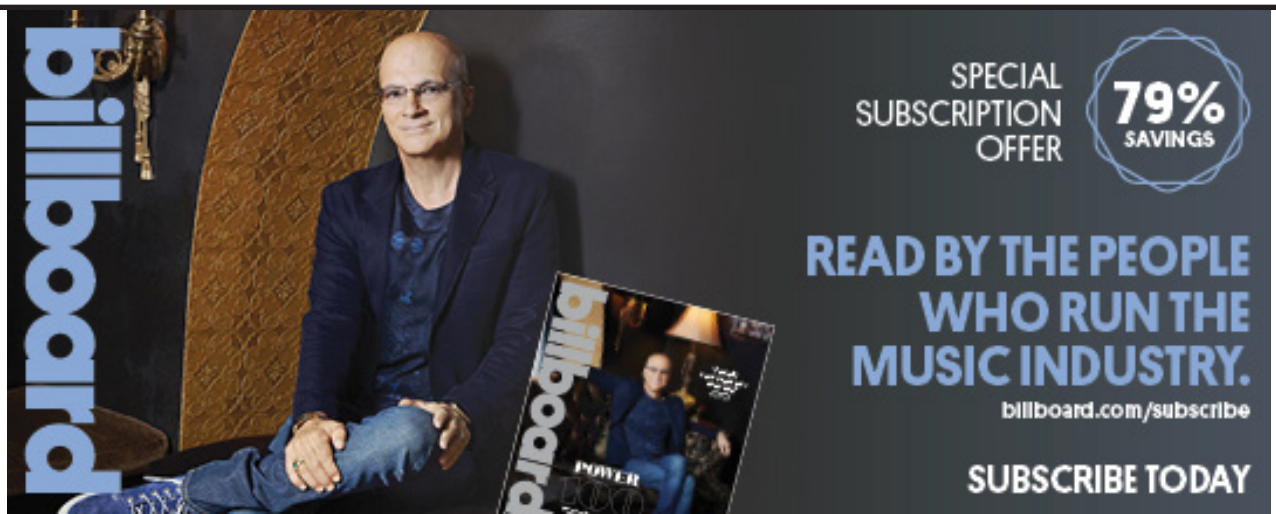

By Paul Tuch
ptuch@mrcentertainment.com

"We Did," the new single from Sacha, is bubbling under the Country airplay chart and the Canadian Emerging Artists chart.

Originally from Montreal and growing up in the Central Ontario small town of Warkworth, Sacha learned to play guitar as a kid and went on to take the title of Next Country Music Star at the 2016 Havelock Jamboree. She released her first album, *Just Like You*, in 2014 and followed it up with 2020's *The Best Thing*. She was part of a duet with The Reklaws on "What The Truck," which they performed at this year's CCMA awards. Early believers on the new single include CJWF Windsor, CKXC Kingston, CIKZ Kitchener, CKBY Ottawa and CKQC Abbotsford.
