JUSTIN BIEBER RETURNS TO TOP ALBUMS SUMMIT

CHART CONFIDENTIAL

By Paul Tuch

ptuch@mrcentertainment.com

For the second time in the last three weeks, Canadian artists hold the top three positions on the Billboard Canadian Albums chart. Justin Bieber's *Justice* (Universal) jumps 3-1 with the highest on-demand streams for the week. (The Billboard Canadian Albums chart ranks the most popular albums of the week based on multi-metric consumption, which includes traditional album sales, track equivalent albums and streaming equivalent albums). It is the album's fifth non-consecutive week at the top of the chart.

After holding the No. 1 position for the last two weeks, Charlotte Cardin's *Phoenix* (Sony) falls to No. 2, scoring the highest album sales total for the third straight week.

The Weeknd's *The Highlights* (Universal) moves up one position to No. 3, Dua Lipa's *Future Nostalgia* (Warner) jumps 5-4 with the highest digital track download total for the week, and Morgan Wallen's *Dangerous: The Double Album* (Universal) moves 6-5.

Weezer's *Van Weezer* (Warner) scores the highest debut for the week at No. 18. It is their highest chart peak since *Weezer (White Album)* reached No. 10 in April 2016 and surpasses the No. 69 peak of their last album, *OK Human*, in January.

The only other new release to enter in the top 50 is

Tee Grizzley's *Built For Whatever* (Warner) at No. 46. It surpasses the No. 88 peak of his last release, 2020's *The Smartest*.

Dua Lipa's "Levitating" (Warner) remains at number one on the Billboard Canadian Hot 100 for the third non-consecutive week, scoring Greatest Gainer/Digital honours. Justin Bieber's "Peaches" (Universal) holds at No.

2, picking up Greatest Gainer/Airplay honours. Doja Cat's "Kiss Me More" (Sony) holds at No. 5 and jumps to No. 1 on the Streaming songs chart.

Trippie Redd & Playboi Carti's "Miss The Rage" (Universal) scores the Hot Shot Debut this week, entering at No. 15. It is both artists' highest charting song to date.

J. Cole's "i n t e r l u d e" (Universal) debuts at No. 21, his highest charting song since "Middle Child" reached No. 4 in 2019.

The most popular songs according to all-format airplay audience impressions and on-demand streams measured by BDSradio and digital sales data compiled by Music Connect. To qualify for this chart, an artist must be Canadian and meet the CRTC 'A' definition (music or lyrics principally performed by a Canadian artist). Artists are considered emerging until 36 months after the date their first Canadian Hot 100 charting entry reaches the top 40 or for a Country song, 36 months after the date their first Country Airplay charting entry reaches the top 25. Artists that pre-date the Hot 100's June 2007 launch are judged on the historic CRTC regulations for Hit and Non-Hit. Once an artist has a title disqualified on these points, their entire catalogue is disqualified. ● Titles showing an increase in overall points over the previous week, regardless of chart movement. ★ Indicates CanCon. © 2021 Billboard Media, LLC and MRC Data, LLC. DANIELLE RYAN HITS COUNTRY

ARTIST SPOTLIGHT

By Paul Tuch
ptuch@mrcentertainment.com

"Weather Man," the new single from Danielle Ryan, is bubbling under the Country airplay chart and the Canadian Emerging Artists chart.

Hailing from rural British Columbia, she began writing songs at the age of 13 and drew inspiration from the iconic female voices of Country music. In 2016, she placed in the top six of the CCMA Discovery Program and won the CMT contest. She has since signed a deal with 604 Records, and released a holiday single in late

2020. Her debut EP, *Middle Of The Madness*, produced by Brian Howes, is due for release. Early believers on the single include CKDK London and CJJR Vancouver.
